ALBERTA'S GO TO PLACE FOR ORGANIZATIONAL INNOVATION

2024 Program Schedule

From June to December, the Innovation Peer Forum is offering a new program to help build innovation capabilities and prepare organizations to become 'Innovation Ready'.

Each month includes an in-person session in both, Edmonton and Calgary, that provides a comprehensive look at how organizations and teams can approach innovation. Additional monthly sessions are held, such as virtual roundtables showcasing member wins and challenges and partner events provided by the Strategic Capability Network (SCN) and Unbounded Thinking, shared via a dedicated LinkedIn group.

Topic	Month	YEG In-Person	YYC In-person
Understanding Your Current State Measuring Innovation Readiness to support a strategic approach	June	5th	26th
Mapping Your Internal Ecosystem Integrating innovation with the core business to drive value	July	10th	18th
Navigating Your External Ecosystem Understanding the external environment to navigate your future	Aug.	7th	22nd
Adopting Innovation Models & Creating Idea Flow Exploring the right innovation models to support idea flow	Sept.	5th	12th
Setting Targets & Measuring Value Identifying ways to measure innovation to support the business	Oct.	2nd	10th
Managing Innovation Projects & Executing Ideas Improving problem-solving through portfolio management	Nov	6th	14th
Showcasing Innovation Finding ways to communicate and market innovation	Dec	4th	12th
